RE: UM Affirmation for HMO Illinois, BlueAdvantage HMO, Blue Precision HMO

At Resurrection Physicians Provider Group we affirm that:

1. UM decisions are based on medical necessity, which includes appropriateness of care and services, and the existence of available benefits;
2. this organization does not specifically reward practitioners, health plan staff, or other individuals for issuing denials of coverage, care or service; and
3. incentive programs are not utilized to encourage decisions that result in under-utilization.

Resurrection Physicians Provider Group also affirms that there is no conflict of interest between the IPA and their UM decision makers.
